

Culinary Ministry Procedures and Guidelines

The focus of this ministry is to ensure a smooth banquet, reception, or luncheon held in the Dr. S.J. Gilbert Sr. Family Life Center.

- Only authorized kitchen personnel should be in the kitchen serving area during functions.
- There should be no personal food prepared in the kitchen.
- To-go boxes will only be provided after every person attending the event has been served.

Please maintain a Godly conduct when serving and being served.
